

WE ARE LOOKING FOR YOU!

For the eagerly anticipated World Premiere of our 2023 Grand Show, we're seeking high-level Trampwall, High Bar and Bungee Trapeze Acrobats. We welcome applications from professional artists of all genders, skin colours, body shapes, nationalities, religions and legal sexual orientations as well as people with and without disabilities.

Contract Details:

You will be performing up to eight times per week on the legendary stage of the Friedrichstadt-Palast (1895 seats) which is based in the vibrant city of Berlin. You will be working with the renowned creative team to develop new acrobatic choreographies and you will become part of an international cast from 27 countries to bring an inspirational story alive.

- Contract length: 1 year (August 2023 - July 2024).
- Contracts include full benefits (including health) and paid holidays.
- Contracts also include travel, visa, and accommodation costs.

Profile:

- Acrobats highly skilled in **Trampwall** OR **High Bar** OR **Bungee Trapeze** with good show experience.
- 18+ years old.
- Available from July 2023 onwards.
- Ability to perform up to eight times per week with consistently excellent quality.

Application documents:

- **Curriculum vitae/resume** (PDF).
- Current **photo**.
- Links to **video reels** - YouTube or Vimeo (please include any passwords if needed). All demos **MUST** be a representation of your current abilities and include footage from within the last 6 months. Please make sure you are easy to identify. Please keep editing to a minimum.

- **Video 1:** Introduction to camera (name, age, training, experience) in English or German if possible – max. 1 min.

- **Video 2:** Main discipline demo reel (ie. Trampwall, High Bar or Bungee Trapeze).

- **Video 3 (optional):** Do you have a **secondary discipline or other skills?** ie., an aerial or ground act, harness work, straps, rope or pole experience, tumbling, high falls etc. What else do you do, please show us!

Please email your full application to
casting@palast.berlin

Further information:

- **Application deadline: 30 September 2022.**
- Only complete applications (with demos) will be considered.
- All applicants will be contacted before 15 October 2022.
