

The Palast Show-Band

The Show-Band is one of the largest resident ensembles in the world. It takes pride in mastering a diverse range of musical styles, from modern pop and rock to jazz, big band and electronic music. Playing these different musical styles credibly and convincingly every night at Friedrichstraße 107 is an exciting challenge and at the same time one of the band's great strengths.

The sound system has received another substantial upgrade to offer optimum sound quality for the audience of nearly 2,000. It is specially designed to enhance enjoyment of live performances by the Show-Band and the stunning singers.

During the day, the Show-Band often spends several hours sound-checking on stage. They meet in the evening half an hour before the show begins to warm up themselves and their instruments.
